### WHERE WE'VE BEEN

#### **MAY RALLY SHELLHARBOUR**

**Present:** Helen and Paul Anderson, Shaun Bowers and Lorraine Barrett, Joy and Neville Henderson, Helen and David Phillips, Wyn and Peter Lowe and Maggie and Alistair Dewar. **Day**

**Visitors** Wendy and Joe Agius and Gea and Harry Waalkens

Vans started to arrive on Monday and by Wednesday we were all in the park. We had great spots with views of the ocean from all sites. Naturally the mandatory afternoon tea was taken at the camp kitchen and we had the opportunity to discuss where we had been since we saw each other at the AGM in March.

Not a cloud in the sky greeted us on Thursday morning and after morning tea outside the Anderson's van, we headed out to various locations in Shellharbour and surrounding areas including the local Stocklands shopping centre. Afternoon tea was partaken and we

headed off to the Shellharbour Club for a social dinner.

Friday was another beautiful day and we said farewell to Wyn and Peter who had to return home for a party on Saturday and we had morning and afternoon tea and as the night closed in returned to our vans for dinner and a bit of TV.

The excitement was high with the ladies on Saturday as the Royal Wedding approached and after our pizza meal cooked by the park management returned to the vans for the ladies and most of the men to watch the wedding.

On Sunday morning we had our morning tea with our day visitors and Wyn and Peter who returned (minus the caravan) to join us again for lunch at the club. Unfortunately Paul had a fall and was unable to join us at the club. Overnight the wind came up and luckily we had our awnings tied down and none of us suffered any damage.

Maggie and Alistair headed home on Monday and as the weather was not at the local shopping centre or visiting local friends.

As there were only a few vans left we each did our own thing on Tuesday and Joy and Neville headed home on Wednesday with the remaining vans returning to their home or moved on to other locations.

### JUNE RALLY NORTH HAVEN

**Present:** Neville & Joy Henderson, Peter & Wyn Lowe, The Lucky B's, Terry & Lorraine Bain & for a short while Vic & Carol.

Peter and Wyn led the way by arriving early and leaving late. They were followed by the other few in dribs and drabs.

very summery we spent time indoors or

A quiet week was managed with the usual rainy weather and wind for two days but much socialising was managed.

On Sunday morning all present took off for the Laurieton Markets. The only purchases seem to consist mainly of edibles with one exception.

Lunch at the Club North Haven was enjoyed by all. Time in the camp kitchen was enjoyed as the inclement weather made outside seating uncomfortable.

Wednesday saw three groups head out but one remained for a couple of more days at a very welcoming destination.

Another enjoyable rally at a nice park but one does wonder at the future.

# Maria's Murmurings

## June

### Maria's Murmurings – June 2018

Nothing specific to report but I do want to share with you an experience Tony and I had just last week.

Maybe many of you are aware of this perk, but Tony and I have been totally unaware of it for all these years. We frequently visit McCafe for coffee and last week on one of our many visits, I was asked whether I had a senior's card, which I showed her and to my surprise I was told that any small coffees, tea or soft drink is **free** to seniors. So, two coffees and one slice of banana bread totalled \$3....bargain. Keep it in mind on

your next visit to McCafe. 😞

Happy birthday to the following members

born in June: Robin Wells, Helen Anderson, Chris Bailey, Carol Bartolo, Vic Bartolo

### Some IMPORTANT Thoughts:

Its hard to explain puns to Kleptomaniacs as they always take things literally.

I used to think that the brain was the most important organ. Then I thought, look what's telling me that.

The midget fortune teller who kills his customers is a small medium at large.

A farmer in the field with his cows counted 196 of them, but when he rounded them up he had 200.
