Rally Report

Milton Rally

Thank you to Joy and Neville Henderson, Terry & Lorraine Bain, Alistair Dewar and Maggie Noland, and special welcome to Alan and Janice St.Vincent (had not met them previously) and welcome to newbies Frank and Chris Peterson.

Most of us arrived on the Wednesday and at this stage it was looking pretty good as far as the weather was concerned. Maggie and Alistair arrived on Thursday and were also able to set up in the dry weather. As a show of support to the local community, who went through the bush fire crisis early January, we thought that we would visit the local eateries (as you do) and it started on Thursday morning with a visit to the Heritage Bakery. Anyone who has gone through Milton knows this bakery. The coffee and cake was delicious and needless to say some of us did not have lunch as the servings were quiet ample. The rest of the day we were fortunate to sit outside in the sunshine and fresh air and enjoy the company and a quiet drink.

Friday morning is when the heavens decided to open up. The rain started but was not too bad at this stage. No morning tea gathering due to the wet. Luckily, we had agreed the day before about having lunch at Mollymook Golf Club which again was great. Lunch extended in to afternoon tea as the rain was quite steady at this point and we had a lovely dry area to sit and chat.

Saturday rain again but we did have some relief from time to time and were able to get to the camp kitchen for morning tea. We agreed that we'd come back at 3 prepared with our afternoon coffee and our bbq dinner. We were not leaving the camp kitchen until later that evening. During the course of the afternoon the rain picked up, greatly. We also had a great big gum tree come down (bit of excitement) onto the children's playground and luckily there was no one around whole area of the fallen tree. We had a pleasant afternoon tea/dinner and then headed back to our vans for the evening.

Sunday was our heaviest day of rainfall and it rained heavily everywhere that day. We mainly stayed in our vans as it was just too wet to get out.

Monday morning after 20 hours of solid heavy rain, we emerged and luckily, we were all dry and did not flood. It was boggy but not flooded. We needed to get out so lunch was organised at the Lake Conjola Bowling club, but after a quick call, were told they were inundated with water and could not serve meals. Change of plans to the Ulladulla Ex Serviceman's Club where again we enjoyed our meal and afternoon tea.

Alistair and Maggie left on Saturday while Frank and Chris left on the Sunday morning. The rest of us decided to leave a day earlier (Tuesday) as there was more rain predicted for later in the week.

Tony and I thank you for coming to 2020's first rally of the year.

Maria & Tony

RALLY CO-ORDINATOR

Attached is the Rally Schedule for the 1st half of the year.

The AGM is coming up in March, if you have not booked and are coming you need to book A.S.A.P. I had heard the pool area is finished for anyone wanting a dip.

It would be good to get as many as possible to our rallies this year to support a lot of areas that are having a tough time.

Anyone wishing to be a Rally Host please let me know.

Joy

Dubbo Rally

Anyone travelling from south, there is an option to stay on the way at Macquarie Woods free camp between Bathurst and Orange.

Quite a large area (about 29km West from Bathurst on Mitchell Highway) and turn North into Cashens

Lane signed to Macquarie Woods, then onto Macquarie Woods Drive.

The campground is about 1km up the road.
