GOOD NEWS, we are on the road again

First Rally is **Canton Beach 22 – 29th July**. We have 15 sites reserved and they would love to have our bookings confirmed as soon as possible. We are on Site **182**, other sites are around this. Sites have been booked **under my name** with **Jayco** so just need to change to your name. Check Map as they are not all together.

As a larger number of vans are expected on the road it would be great if you are interested you could book your site by 20/6/20 for Canton Beach **and let me know** so any reserved sites can be freed up for others.

Hallidays also has still reserved 10 sites for us.

Next year looking at running a Farm Stay Tag a Long.

Although the National Rally does not have any further info for us at the moment, the contact Website is: www.18thnationalcaravanrally.org.au for anyone who has mislaid their newsletter. Keep an eye out for any further information.

PRESIDENT'S MESSAGE MAY 2020

Hi everyone, another month of isolation has passed and there is light at the end of the tunnel...*hope it's not a train*.

I have spoken to a number of our members over the past month and each one has agreed that they have either been doing overdue DYI or like Joy and myself gardening. I think we should be given shares in Bunnings or Flower Power as we have been there sooo many times. Ron Scanes asked me to send his thanks to the members for the card he and Sue received from the club on the occasion of their engagement. He is looking forward to catching up when we are caravanning again.

A reminder that we are hoping to recommence our rallies in July at Canton Beach on the Central Coast, which may just save my sanity. Look at the Rally Co-ordinator report for details.

I heard that one of our member couples have been going out into their backyard each afternoon to have a happy hour and a quiet drink. Talk about missing everyone.

Don't forget the National Rally in March 2022 in Barmera South Australia. We are hoping to have a tag-a-long after our 2022 AGM finishing at the site on the Murray. A number of our members have already registered and we recommend if you are going get in early as numbers are being limited to 500 caravans and motorhomes.

I hope to catch up to you all soon for a drink and get the latest gossip.
