PRESIDENT'S MESSAGE

2020 has been a bugger of a year with a number of our rallies being cancelled due to the COVID-19 pandemic but for the ones that went ahead we had good attendances and we look forward to catching up either at a rally or on the road in 2021.

We wrote to the Minister for Transport earlier in the year and with the help of other clubs and our Association we were able to get relief for our members using some tollways and being charged as a Class 2 vehicle (B Double). If this affects you, please register your caravan with your e-tag carrier and you can request a refund of the difference between a car toll and a Class 2 vehicle.

Unfortunately, we were unable to get the same relief for Motorhomes and I have sent a copy of the letter from the Minister for Transport rejecting our submission to motorhome owners. I won't give up on getting the deal for our motorhome owners.

On behalf of your committee members and Joy and myself I wish you all a Merry and Healthy Christmas and for those members I will not see at Bathurst a Happy and Safe New Year.

Until then....carry on caravanning.

Neville Henderson OAM JP

SECRETARY'S REPORT 2020.

As we draw closer to the end of 2020 Paul and I would like to wish all members and their families a Merry Christmas and a healthy and Happy New Year.

We hope that 2021 will see more members caravanning. If you are on the road travel safely and we look forward to catching up with everyone next year.

Helen.

JOKE OF THE MONTH

There were two nuns
One of them was known as Sister Mathematical (SM),
and the other one was known as Sister Logical (SL).

It is getting dark and they are still far away from the convent.

SM: Have you noticed that a man has been following us for the past thirty-eight and a half minutes? I wonder what he wants.

SL: It's logical. He wants to make love to us.

SM: Oh, no! At this rate he will reach us in 15 minutes at the most! What can we do?

SL: The only logical thing to do of course is to walk faster.

A little while later...

SM: It's not working.

SL: Of course it's not working. The man did the only logical thing. He started to walk faster, too.

SM: So, what shall we do? At this rate he will reach us in one minute.

SL: The only logical thing we can do is split. You go that way and I'll go this way. He cannot follow us both.

So the man decided to follow Sister Logical.

Sister Mathematical arrives at the convent and is worried about what has happened to Sister Logical.

Then Sister Logical arrives.

SM: Sister Logical! Thank God you are here! Tell me what happened!

SL: The only logical thing happened. The man couldn't follow us both, so he followed me

SM: Yes, yes! But what happened then?

SL: The only logical thing happened. I started to run as fast as I could and he started to run as fast as he could.

SM: And?

SL : The only logical thing happened. He reached me.

SM : Oh, dear! What did you do?

SL : The only logical thing to do. I lifted my dress up.

SM : Oh, Sister! What did the man do?

SL: The only logical thing to do. He pulled down his pants.

SM: Oh, no! What happened then?

SL : Isn't it logical, Sister? A nun with her dress up can run faster than a man with his pants down.

And for those of you who thought it would be dirty,

Say two Hail Marys!
