**RALLY CO-ORDINATOR**

**RALLIES**

Being optimistic I think our first possibility of a Rally may be Shoalhaven, if not then fingers crossed for the Christmas Rally, Swansea in November. I have attached the invitation. Similar to last year. At the moment lockdown is supposed to end towards the end of September, have to wait and see.

**One Mile Beach:** As we missed the One Mile Beach Rally, some members have decided to go the week before Swansea. Everybody welcome if it suits.

Also have booked **Bathurst** for the New Year's Eve Rally. I have booked mine, Site 73 same as last year, there are sites around this. They would like deposits asap if you are thinking of going as when restrictions are lifted they expect a high intake. **Deposit will be refunded in full should you not be able to go.**

### PRESIDENT'S MESSAGE AUGUST 2021

The latest news from the Premier is not good and it means that the planned rallies at Potato Point and Nelligen are obviously not going ahead for the people in Greater Sydney and possibly for residents of rural New South Wales. What an absolute pain to those of us who are busting to get back on the road.

Let's hope that we are able to get to Shoalhaven and following that to Swansea for our Christmas lunch (see report from the Rally Co-ordinator).

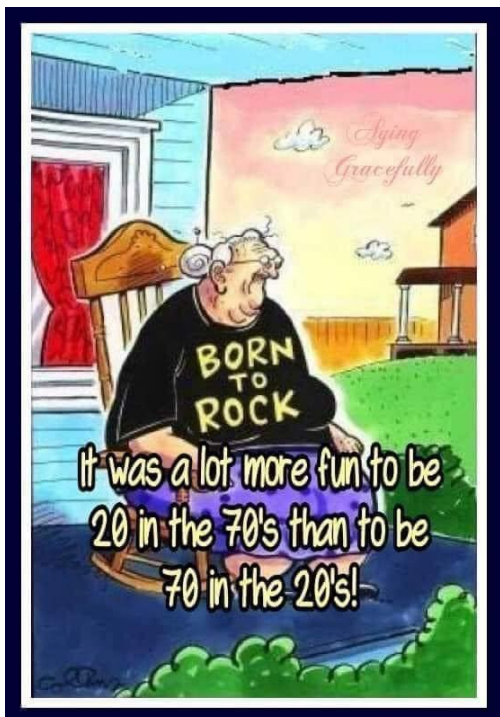

When this is all over I intend writing to the Transport Minister asking for some refund on our caravan registration as the Sydney residents have not been able to use their vans and motorhomes for three months (if the state reopens at the end of September).

How upsetting that we are not able to visit Bunnings other than by on line. All the enjoyment is going out of life as Bunnings are most people's go to place at this time, for outdoor exercise.

I hope you are all well and have found something else to do during lockdown and we are able to get back on the road soon.

Regards

*Neville*
