RALLIES

Hang in there it looks like we may be able to go ahead with the Swansea Christmas Rally. Fingers crossed that we can do it in a safe way and observe restrictions. So dust off the Christmas lights and decorations for your van. Would be good if we could get a good turn out this year to celebrate getting to use our vans that have been gathering dust.

I am hoping to have a Draft of next year's Rallies at Swansea. Suggestions would be welcome before then so they can be considered. Also looking at a Tag-a-Long towards the end of the year maybe around August, September or October.

Don't let them take your temperature on your forehead as you enter the supermarket because it erases your memory.

I went for macaroni and cheese and came home with two cases of beer.

PRESIDENT'S MESSAGE SEPTEMBER 2021

Another month has come and gone, and we are still not allowed to caravan. When I talk to club members, they say that they too can't wait for the lockdown to be over and to be back on the road and attending the Christmas Rally at Swansea.

Last week the highlight of my week was to go "click and collect" at Bunnings and a visit to Aldi to see what specials were in the centre aisle. It is strange to see how many things have changed in our normal life over the past couple of months.

Representation has been made to the transport minister regarding our member's motorhomes being included in the toll cash back scheme but this is being put on the backburner until after Covid.

Shaun is getting some extra evidence to support our case for inclusion of the motorhomes. I hope you are all well and keeping Covid safe and looking forward to catching up with other members shortly.

Until next time, keep safe and healthy.
