PRESIDENT'S MESSAGE APRIL 2022

Back home again after an exciting tag-a-long with some delightful friends. We had a great time and would you believe that even though we did around 2800 kilometres we didn't really get lost. It was amazing that we did not have much rain whilst other areas of NSW were being "slammed" by heavy rain. Hope you are all OK and that you and your houses are safe.

I must apologise that when the AGM rally report was written it missed recording the attendance of Wyn and Peter Lowe. They were there and I hope this corrects the situation.

Up coming rallies should be good and I look forward to catching up with you all at some stage during 2022. Don't forget if we get 10 or more vans the club will put on a sausage sizzle (except for AGM and Christmas where we already supply catering).

Until then...carry on caravanning.

Neville Henderson OAM JP

Legend has it that this car belonged to a man who parked in the shade while his wife popped into the op shop for a few minutes.

TAG-ALONG FROM NORAH HEAD

Four vans left Norah Head (Vinnie & Col Every, Liz & Bob Beesley, Joy & Neville Henderson and Wyn & Peter Lowe) on Wednesday and headed off

Continued on to Cassilis where we stayed behind the Bowling Club and after a quick afternoon tea we adjourned to the club for a drink and to pay our camping fee. This was followed by a bar-b-que and an early night in bed.

CASSILIS FREECAMP

On Thursday we headed off to Dunedoo for our morning tea stop at Dunedoo Pies then on to Nyngan where we stayed at the Riverside Caravan Park for two nights. A visit to the town where some of the members visited the Museum and others made the mandatory visit to Vinnies and to IGA for supplies

NYNGAN

COBAR

Nyngan to Emmdale

On Saturday we travelled to Emmdale where we stopped at the Roadhouse on their only four powered sites. The temperature was in the high thirties but because of a problem with overloads we were unable to use our air conditioners. After happy hour we moved into the airconditioned café where we had dinner. Off to bed where we all had a problem sleeping because of the heat and trucks stopping during the night.

EMMDALE AMENITIES (Mouse and Rat)

SUNSET

Emmdale to Broken Hill

Set off early Sunday and after a brief stop at Wilcannia for a cuppa we travelled on to Broken Hill where we set up in the Broken Hill Caravan Park, 35 degrees again but able to use air conditioning. On Monday we had a look around town, going up on the Line of Lode only to find out it is closed for renovation, so we had coffee at a café in town. Visited the sandstone Living Desert Sculptures just out of town for drinks, cheese and bickies at sundown. On Tuesday we visited Bells Milk Bar (a throwback to the 1950's) and then travelled on to Silverton for a look around the town and lunch at the pub (Peter visited the Mad Max Museum). Returned to town for afternoon tea and get ready for the next day's trip.

Broken Hill to Mildura

On Wednesday we travelled to Mildura for a two-night stay and we had a good look around town and of course visited Woolworths for a replenishment of supplies. Bob had some repairs done to his awning before we headed off again.

Mildura to Swan Hill

Friday morning, we packed up and travelled to Swan Hill for a two-night stay. Bar-b-que tea in the excellent camp kitchen with a couple of quiet drinks then off to bed. On Saturday night we grabbed our fold up chairs after afternoon tea and went to the local park to watch the Harmony Day celebrations. Lots of international food stalls allowing us to purchase our dinner and help support local cultural groups. It was so hot we headed home early to get into our air-conditioned vans.

Swan Hill to Echuca

Sunday saw us in Echuca where we had a look around the town with a visit to the Beechworth Bakery where we all purchased either pies or pastries. Some went back twice. Neville found a fantastic bookshop and was able to score a couple of second-hand books by his favourite author. Naturally, we all found the ice cream shop and left some of our hard-earned cash behind in the town. Afternoon tea was hot cross buns, yummy. The caravan park was great with drive through sites.

Echuca Local

Echuca to Narrandera

On Tuesday we headed to Narrandera via Deniliquin and Finley and arrived at the Showground where we set up and spent a relaxed afternoon with a couple of quiet drinks and cheese and biscuits. We were not the only occupants with a circus also there. Stayed hitched up and left early the next morning for Cootamundra.

The Final Leg

As we were unable to book in at the caravan park until midday we stopped along the way at a bakery and had morning tea/lunch. Most had a pie or sausage roll which were very nice. After we arrived at the caravan park we set up and had our usual afternoon tea before adjourning to the RSL Club for a Chinese meal and a couple of drinks. On Thursday visits to, and a walk around town was on the menu and during the afternoon we sat around in the sun until the predicted rain came and we adjourned to our vans for dinner and retirement for the night.

We arrived in Goulburn after morning tea and after we had set up we were visited by our Goulburn members Janice and Alan St Vincent and they had the opportunity to meet some members they had not met. A bar-b-que dinner followed and then it was off to watch the footy or other programs on TV. We said goodbye to each other because we were all leaving at different times.

Saturday and we all headed home after 17 days.

Distance approximately 2800km Average Diesel Price \$2.22 per litre.
