
PRESIDENT'S MESSAGE JANUARY 2023

I hope you had a great Christmas and a Happy New Year and are looking forward to many rallies and chances to catch up with other members.

From the many messages and comments I have received it appears that our Christmas Rally went down well, particularly the raffle and desserts, and our next lot of catering is at the AGM unless we have 10 vans at Blackheath. I am really looking forward to getting back on the road in a couple of weeks.

Not much to report this month so I will sign off with the hope we will get to meet each other in early 2023.

Until then...keep on caravanning

Now, what we have all been waiting for...The Darwin Awards, based on the premise that the result of each one of these incidents leads to a raising of the intelligence quotient of the whole population:

Here is the glorious winner:

1. When his .38 caliber revolver failed to fire at his intended victim during a hold-up in Long Beach, California, would-be robber James Elliot did something that can only inspire wonder. He peered down the barrel and tried the trigger again. This time it worked.

In the absence of any Rally photos, I thought I would throw in some schoolboy humour!

Me & my mate were sat in a cafe this morning, the waitress came over and said you can't eat your own sandwiches in here! So we swapped

Rally Hosts would be great to have even though not essential. They just need to maybe search out some info on a destination and pass on to members at the Rally then write up a short report on what we did for the Newsletter. It makes for a more interesting Newsletter plus people send in photos. Any information on what they do contact me or anyone that has done one before.

The **Mudgee Rally** needs to be booked as soon as possible as it is the Food and Wine festival and is very popular.

18th National Rally is going ahead in Barmera S.A. 27/3/2023 to 5/4/2023. **State Rally** 29/9/2023 to 3/10/2023 information for anyone interested in going please contact Liane Dijan
