PRESIDENT'S MESSAGE JULY 2023

I am sitting in our van in Hervey Bay on our way home after 8 weeks on the road and we have had a great time. Another couple of weeks and we will be back in Sydney.

A quick reminder that the State Rally is on at Clarendon at the end of September and there is still time to register, for details please look at the NSW Association web page.

We are looking forward to catching up with you all at Mudgee and I understand we have 10 vans already, if this is correct we will be having another club supplied sausage sizzle.

Rally Report North Haven 12th to 19th July 2023

The rally hosts were Bob and Liz Beesley. The attendees along with the Beesley's were Tony and Maria Battaglia, David and Liane Dijan, Peter and Wyn Lowe, Terry and Lorraine Bain, Greg and Judi Cavanagh and Peter and Pat Roher. Members began arriving on Tuesday 11th and departed between 16th and 19th July.

We enjoyed beautiful sunny days for the first week and then some early afternoon and overnight showers on Tuesday and Wednesday.

North Haven Caravan Park is a clean well kept facility, with a large camp kitchen and modern amenity blocks. It is in close proximity for walks to the beach or along the breakwall. During our walks along the breakwall we managed to see three Grey Nurse Sharks. The sharks came in towards the end of the day, attracted by the fishermen cleaning their catch and tossing off-cuts into the channel.

Friday saw us all walk to the North Haven Bowling Club for a hot lunch, followed by coffee and cake.

On Saturday morning several couples travelled the 30 kilometres to Port Macquarie for the day.

Our morning and afternoon get-togethers, daily afternoon drinks (also known as Happy Hour) plus a couple of BBQs in the camp kitchen were a source of much laughter.

Sadly, the rally had to come to an end and as always, we all look forward to the next time we can attend a rally together.

Thanks to all who attended.

Bob & Liz.

A relaxing morning coffee was had at the beachside café (just to be safe).

Fortunately, it was just a short walk from the caravan park

Lunch was enjoyed at the North Haven Bowling Club

This was followed by coffee and cake to sustain the group on the walk back to the park.

Liane demonstrated her artistic talents with Peter, Wyn and Lorraine as willing models.

As you travel from Hay to Hillston you might like to look up the Banjo Paterson Poem

Hay and Hell and Booligal

Hay and Hell and Booligal is a poem by the Australian bush poet Banjo Paterson. Paterson wrote the poem while working as a solicitor with the firm Street & Paterson in Sydney. It was first published in *The Bulletin* on 25 April 1896. The poem was later included in Paterson's collection *Rio Grande's Last Race and Other Verses*, first published in 1902.

The poem is about the western Riverina town of Booligal; then and now a remote, isolated locality. It compares Booligal unfavorably with the nearby town of Hay and even Hell, recounting a litany of problems with the town—heat, sand, dust, flies, rabbits, mosquitos, snakes, and drought—with humorous intent. "Hell" may also refer to a nearby property called "Hell's Gate". The Oxford Literary Guide to Australia places "Hell" at nearby One Tree, on the stock route between Hay on the Murrumbidgee River and Booligal on the Lachlan River.

Reminder: After contacting Norah Head Caravan Park, they have agreed we need only pay 1 nights site fee for March AGM Rally at the moment.

Reminder: when you book your site at a Rally, **please** let the Rally Host know so they know who to expect for organisation.
